An effective approach for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to

price. Do this by making a sales page for the brand new e-book, however don't embrace a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Be certain your gross sales copy is exactly the identical on every page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum value is.

In the end, for those who've written a e book that solves a drawback or presents a brand new method, your book will bring in both visitors and profits. So you'll want to write that selling-handle sentence that sums up what downside your ebook solves and what the benefits of your 1018 book shall be to the shoppers who purchase it.
