Do that by making a sales web page for the brand new e book, however don't embrace a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with different prices on every page. Be certain that your gross sales copy is strictly the same on every web page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum value is.
