As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with totally different prices on every page. Make certain your sales copy is exactly the same on every

web page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum value is.

Finally, if you've written a book that solves a downside or presents a brand new approach, your guide will herald both visitors and profits.
