Do this by making a gross sales page for the brand new guide, but don't embrace a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with different costs on each page. Be certain that your gross sales copy is strictly the identical on

each web page, and includes your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum value is.

Finally, if you've written a book that solves a downside or presents a brand new method, your book will bring in each traffic and profits.
