Do this by creating a gross sales web page for the new book, but don't include a value on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Ensure that your sales copy is strictly the similar on every web page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum price is.

Finally, should you've written a e-book that solves a problem or presents a brand new method, your ebook will bring in both visitors and profits. So make sure you write that promoting-handle sentence that sums up what problem your e book solves and what the advantages of your 166 e-book will be to the shoppers who buy it.
