this by creating a gross sales page for the brand new book, but don't embrace a price on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with different costs on each page. Ensure that your sales copy is strictly the identical on every web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum worth is.
