Advertising Methods

The key that unlocks the gross sales potential of your e-book is to discover a single sentence that becomes your selling handle. This sentence states what question or downside your ebook answers and the advantages your book can provide. Then make sure to use that sentence in each piece of sales and promotional materials, and each time anyone asks you about your ebook.

Besides selling your books assiduously on-line, there are a number of different methods that can show you how to sell extra books.

One is to provide one thing away for free with your ebook, such as a helpful bonus item. Or bundle several ebooks below one price, which lowers the worth for every ebook if they were bought separately.

An efficient method for determining a price is to send out a survey to your present customers. If these customers have already purchased an ebook from you, ask for their opinion in terms of price. Do that by making a sales web page for the new e book, but don't embrace a price on that page. Instead, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with different prices on every page. Be sure that your sales copy is precisely the same on each page, and

includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum worth is.

Finally, in the event you've written a ebook that solves a drawback or presents a new method, your ebook will herald both site visitors and profits. So make sure to write that selling-deal with sentence that sums up what downside your e-book solves and what the advantages of your 2063 ebook might be to the customers who purchase it. And then watch your market come to you!
