If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the new book, but don't embrace a worth on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with totally different costs on each page. Ensure that your gross sales copy is precisely the identical on each

web page, and consists of your selling-handle sentence. Then determine for every page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum price is.

Finally, for those who've written a e book that solves a problem or presents a new approach, your e book will bring in both site visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what downside your e book solves and what the benefits of your 2182 ebook might be to the customers who buy it.
