Advertising Strategies

The key that unlocks the gross sales potential of your e-book is to find a single sentence that becomes your promoting handle. Do this by creating a sales web page for the new e book, however don't include a price on that page. One other technique is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Ensure your sales copy is strictly the same on each page, and

consists of your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum value is.
