Do this by creating a gross sales page for the brand new book, but don't embrace a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with totally different prices on every page. Be sure your gross sales copy is precisely the same on every web page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum price is.
