Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with different costs on each page. Be certain your sales copy is exactly the similar on every page, and consists of

your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum worth is.
