Then you should definitely use that sentence in each piece of sales and promotional materials, and each time anyone asks you about your ebook.

Moreover promoting your books assiduously online, there are several different methods that may show you how to sell more books.

One is to offer one thing away totally free with your book, reminiscent of a worthwhile bonus item. Or bundle several ebooks underneath one worth, which lowers the value for every ebook in the event that they have been bought separately.

An effective method for figuring out a worth is to ship out a survey to your present customers. If these prospects have already purchased an book from you, ask for their opinion when it comes to price. Do this by making a sales web page for the new e-book, however don't embody a value on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Be certain that your gross sales copy is precisely the identical on

every page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum price is.

In the end, in case you've written a ebook that solves a drawback or presents a brand new approach, your ebook will bring in each traffic and profits. So be sure you write that promoting-deal with sentence that sums up what drawback your e-book solves and what the advantages of your 326 guide might be to the customers who buy it.
