An effective approach for figuring out a value is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do this

by making a gross sales web page for the brand new book, however don't embody a value on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on every page. Be certain that your sales copy is strictly the same on every web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

In the end, if you've written a book that solves a problem or presents a brand new approach, your guide will bring in each site visitors and profits. So make sure you write that selling-handle sentence that sums up what drawback your ebook solves and what the advantages of your 434 ebook will probably be to the purchasers who purchase it.
