An effective method for figuring out a price is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the brand new e book, however do not embody a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Make sure that your sales copy is exactly the same on each web page, and includes your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

In the end, in the event you've written a ebook that solves a downside or presents a new approach, your guide will bring in each visitors and profits.
