An effective technique for determining a worth is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do that

by creating a gross sales web page for the brand new book, however don't include a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Make sure that your sales copy is precisely the identical on each page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum worth is.

Finally, if you've written a book that solves a downside or presents a brand new approach, your e book will bring in each visitors and profits.
