Do this by creating a sales page for the brand new guide, however don't embrace a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on each page. Make sure your gross sales copy is precisely the same on every page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum price is.

Finally, in the event you've written a guide that solves a drawback or presents a brand new approach, your e-book will usher in both site visitors and profits.
