One other technique is to test out prices by creating a number of duplicate sales pages with completely different costs on each page. Make sure your gross sales copy is precisely the identical

on every web page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum worth is.

Finally, if you've written a guide that solves a drawback or presents a brand new approach, your e book will bring in both visitors and profits.
