If these customers have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the new e book, however don't embrace a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with totally different costs on every page. Be certain your gross sales copy is precisely the same on each web

page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum price is.

Finally, for those who've written a guide that solves a drawback or presents a new approach, your book will herald each traffic and profits. So be sure to write that promoting-handle sentence that sums up what drawback your book solves and what the advantages of your 709 ebook will be to the purchasers who buy it.
