price. Do this by creating a gross sales page for the brand new book, however don't include a price on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Make sure that your gross sales copy is strictly the similar on each web page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum price is.
