As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with totally different costs on every page. Be sure that your sales copy is precisely the same on every

web page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum price is.

Ultimately, in the event you've written a e book that solves a drawback or presents a brand new technique, your ebook will usher in both traffic and profits.
