As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with totally different prices on each page. Make sure your sales copy is strictly the similar on every web page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum price is.

Finally, in the event you've written a e book that solves a problem or presents a new approach, your e-book will usher in both site visitors and profits. So remember to write that selling-handle sentence that sums up what drawback your e book solves and what the advantages of your 999 guide can be to the shoppers who purchase it.
